

Finance and Statutory Compliance Calendar

doc_aur_compliance_calendar | Synthetic operating document

1.0 Weekly AP Review

Every Monday, accounting reviews invoices due within seven days and all overdue balances.

2.0 Monthly Carrier Audit

By the fifth business day, accounting reconciles prior-month freight invoices to manifests, delivery events, and SLA credits.

3.0 Quarterly Close

Finance certifies revenue, refunds, freight expense, COGS, and regional net margin reconciliations.

4.0 Evidence Retention

Invoices, approvals, dispute notices, purchase orders, and supporting shipment evidence are retained with tenant and sensitivity metadata.
