

Packaging Manufacturing and Supply Agreement

doc_aur_packaging_agreement | Synthetic agreement

Document ID	doc_aur_packaging_agreement	Effective	2026-07-01
Customer	Aura Brands, Inc.	Counterparty	Evergreen Packaging Works

1.0 Purpose and Scope

This synthetic agreement defines the commercial and operational terms used by the Aura Brands demonstration environment. It is designed for retrieval, reconciliation, authorization, and citation testing.

2.1 Forecasts and Orders

Aura Brands will issue rolling forecasts and binding purchase orders. Standard lead time is 21 calendar days.

3.1 Volume Pricing [clause_price_tier_3_1]

For aggregate orders from 10,000 through 24,999 units, the contracted wholesale unit price is USD 0.42. Other volumes require a written price schedule.

4.1 Quality Acceptance

Packaging must meet the approved artwork, dimensions, material, and batch traceability specifications.

5.2 Payment Terms [clause_payment_terms_5_2]

Valid, undisputed invoices are payable Net 60 from the invoice date. The invoice must reference the applicable purchase order.

7.1 Confidentiality

Commercial pricing and product forecasts are confidential and restricted to authorized finance and procurement personnel.

Acknowledgment

The parties acknowledge that this document is synthetic and has no legal effect. Its terms are authoritative only inside the Aura Brands portfolio dataset.
